

# What Matters?

- *I don't want to talk about death and dying, but I want my friends and family to know my wishes. What do I do?*
- *What does Jewish wisdom have to say about Advance Care Planning?*
- *As I age, what should I focus on to ensure that I'm living my best life?*

Join Rabbi Melanie Levav, MSW, of Shomer Collective for an opportunity to reflect and learn more about the value of end of life planning inspired by Jewish wisdom. **Everyone welcomed to this free event!**
